Largest Delivery to date of Paper-Ballot System

(ATLANTA) – Monday the Secretary of State’s Office will deliver the largest shipment to metro Atlanta of equipment for Georgia’s new secure paper-ballot system.

Employees worked over the Christmas holidays taking deliveries of components and subjecting them to the state’s quality-assurance testing in order to remain ahead of schedule in getting the equipment to every county in time for use during the March 24 Presidential Preference Primary.

What: Equipment includes touchscreens, printers, scanners, lockable ballot boxes and voter check-in poll pads

When: Monday, December 30, 2019, 10:30-noon

Where: 4380 Memorial Drive, Suite 300, Decatur, Ga.

Who: Secretary of State Brad Raffensperger available for interviews
